1. Two old fortifications, which were enlarged and reinforced by the Italians and Germans during the occupation, are located on the eastern sector of the Island of Solta in the section known as the Gates of Brac. These fortifications were repaired and modernized during 1946 and 1947, and are at present manned.
2. Various fortification jobs were carried out on the Island during the summer of 1950. In the southern part of the Island, various bunkers and underground shelters and depots are being constructed.
